

- For homework this week, you will define all the words that you underlined in “The Tell-Tale Heart.” When defining these words please write a simple definition. There is no need to write a 4 sentence definition. You want to be able to understand what the word means.

(I am not giving you a list of words because you were supposed to be creating your own list in class last week.)

- If you were absent last week, read through “The Tell-Tale Heart” and find words that you are not familiar with and define them.
- You will not be handing this in, but you will need the list for an in-class assignment, so make sure you can read your own hand writing.
