

**Now that you know what it takes to hook your reader, please write the opening paragraph to your letter.**

This is exactly what you need to have for next week:

1. An opening hook. You must hook your reader in 25 words or less.
2. Complete your opening paragraph. What does this include?
  - a. The hook.
  - b. Give a little bit of information explaining what you are talking about in your hook.

To do this, look at the examples that were given to you in the “hook” handout.
  - c. Your first paragraph must contain at least 5 sentences.
3. Your homework must be typed, double spaced, 12 point font. I HAVE ASKED FOR THIS BEFORE AND MANY OF YOU HAVE NOT FOLLOWED THE DIRECTIONS. PLEASE DO NOT HAND IN A HAND-WRITTEN PARAGRAPH THAT HAS BEEN RIPPED OUT FROM YOUR NOTEBOOK!!!!

Thank you
