

How to pick our next short story:

- 1.) Look in your textbook and find 5 short story titles that interest you.
- 2.) Google each title. Find a brief summary of the story, no longer than a paragraph. READ THE SUMMARY.
- 3.) Out of the 5 stories you chose, come to class with the top 2 you found interesting.
- 4.) We will decide AS A CLASS what story we will read next.
