

Math Club 3
MOEMS Math Olympiad
October 1, 2016

Olympiad Information

We will participate in the MOEMS (Math Olympiad for Elementary and Middle Schools), which will be held in-class during the Club. If you are registered for Math Club 3, you will be automatically registered for the Olympiad. You can find more information about the Olympiad at the following link:

<http://www.moems.org>

There are 5 monthly contests given from November to March. Contest dates at SchoolNova for the 2016-17 academic year are:

Nov 12

Dec 17

Jan 14

Feb 11

March 11

Grade Level

We will participate in Division E, which is for students in Grades 4 – 6. Students in higher grades are not allowed to participate in this level. Further, the Olympiad is not recommended for students below Grade 4, as they can become discouraged without proper support. Please refer to their website for more information.

Team Forms

If a student is participating in the Math Olympiad in school, they are not allowed to take it at SchoolNova. Team Forms with your child's name will be emailed to you. Please have your child's School Principal or Assistant Principal sign these forms, as per the instructions in the email.

Practice Olympiads and T-shirts

Packets of practice Olympiads will be handed out in class. We will be spending some time on these during the Club. All Math Club participants will receive an Olympiad T-shirt.
