Spanish Poem about Fall with Actions

Soy un árbol. (Arms out like branches, each child holding 2 leaves.)
Tengo hojas. (Wiggle the leaves.)
Viento, viento, viento (Sway from side to side.)
Una hoja se cae. (Stand still and drop one leaf.)
Viento, viento, viento (Sway from side to side.)
Otra hoja se cae. (Stand still and drop the other leaf.)
Soy un árbol. (Arms still out like branches.)
No tengo hojas.

Translation:

I'm a tree.
I have leaves.
Wind, wind, wind.
One leaf falls.
Wind, wind, wind.
Another leaf falls.
I'm a tree.
I don't have leaves.
